HAZRAT ISA AL-MASIH KE AATH AHKAAM KA KHULASA

Pichhli taleemaat mein hum ne jaana ke Hazrat Isa Al-Maseeh kaun hain. Ab hum seekheinge ke Hazrat Isa Al-Maseeh ki pairwi yani un ka raasta kaise apnana hai. Aaj se hum aath khaas hidayaat ki taleem shuru kar rahe hain. Inhein hum kehte hain — Hazrat Isa Al-Maseeh ke aath ahkaam kehte hain.

Pichhli baar hum ne suna ke kaise Hazrat Isa Al-Maseeh ka paida hona bahut khaas tha. Bahut se nabiyon ne un ke aane ki peshangoi ki thi. Farishton ne bhi Hazrat Maryam Alaihissalaam aur doosron ko un ki paidaish ki khushkhabri di thi.

Hazrat Isa Al-Maseeh kunwari se paida hue. Woh duniya mein aaye taa-ke hamari gunaahon se nijaat dein. Unhon ne beemaroon ko achha kiya, murdon ko zinda kiya. Woh itne taaqatwar hain ke gunaah bhi maaf kar sakte hain aur insaan ke dil ke raaz bhi jaante hain. Unhon ne saaf kaha: Raah aur haq aur zindagi main hoon. Koi mere waseele ke baghair baap ke paas nahin aa sakta.

Azeezo, agar hum Allah se rishta banana chahte hain, to humein Hazrat Isa Al-Maseeh ki baaton ko sunna aur maanna hoga. Lekin un ki zindagi ki sab se badi baat yeh hai ke unhon ne sooli par apni jaan qurbaan ki — taa-ke hamare gunaah maaf hon. Woh dafn hue, aur teesre din dobara zinda hue. Apni qabr se bahar nikle aur phir aasman par chale gaye. Ab woh Allah ke paas baithe hain aur Qiyamat ke din wapas aayeinge. Isi liye, humein un ki hidayaat ko ghaur se sunna aur us par amal karna chahiye. Unhon ne kaha: “Agar tum mujh se muhabbat karte ho to mere ahkaam par amal karo.”

Hazrat Isa Al-Maseeh ne bahut si hidayaat dein, magar un ki yeh aath ahkaam sab se aham hain.

1. Tauba karna aur imaan lana.
2. Paak ghustl yani baptisma lena.
3. Dua karna.
4. Injeel Shareef seekhna.
5. Logon ko shagird banana.
6. Muhabbat karna.
7. Jamaat mein shaamil hona aur Isha-e-Rabbani yani Khudawand ke naam ka khana lena.
8. Sadaqa khairaat dena.

Ab hum thoda thoda in ahkaam ko samjhein:

Pehla hukm: Tauba aur imaan. Tauba matlab — ghalat raasta chhor kar naya raasta apnana. Imaan matlab — Hazrat Isa Al-Maseeh par bharosa karna. Sochiye, agar koi aadmi gaadi chala raha ho aur use pata chale ke woh ulti simt mein ja raha hai, to use modna padega. Yahi tauba hai — ghalat raasta chhor kar saheeh taraf jaana.

Doosra hukm: Paak ghusl. Jab koi shakhs Hazrat Isa Al-Maseeh par imaan laata hai, to doosre imaan wale use paani mein poora dubota hai. Yeh nishani hai ke us ne tauba ki hai aur ab woh Maseeh ka pairokaar yani Maseeh ka maanne wala hai.

Teesra hukm: Dua. Dua matlab — Allah se baat karna. Hazrat Isa Al-Maseeh ne sikhaya ke hum kisi bhi zabaan mein dua kar sakte hain. Allah apne bachchon ki awaaz sunna pasand karta hai.

Chautha hukm: Injeel Shareef seekhna. Injeel Shareef mein Hazrat Isa Al-Maseeh ki zindagi aur un ki taleem likhi hai. Is kitaab mein hikmat aur sachchai hai. Agar hum Maseeh ke shagird banna chahte hain to is kitaab ko parhna aur samajhna zaroori hai.

Paanchwan hukm: Shagird banana. Jaise Allah humein sikhata hai, waise hi humein bhi apne doston, ghar walon aur parosiyon tak yeh baatein pahunchani chahiye.

Chhataan hukm: Muhabbat. Hazrat Isa Al-Maseeh ne sikhaya ke sab se badi hidayaat hain — Allah se muhabbat karna aur apne parosi se muhabbat karna.

Saatwaan hukm: Jamaat aur Isha-e-Rabbani lena. Jamaat yani imaan walon ki jamaat. Woh haftay mein kam se kam ek baar milte hain — dua karte hain, Injeel Shareef parhte hain, ibaadat karte hain aur Khudawand ke naam ka khana khaate hain. Yeh khana humein yaad dilata hai ke Hazrat Isa Al-Maseeh ne hamare gunaahon ke liye sooli par jaan di.

Aathwaan hukm: Khairaat. Agar hum Maseeh ke pairokaar hain, to humein apne maal mein se doosron ko dena chahiye. Allah ne jo humein diya hai, us se doosron ki madad karna chahiye.

Mere azeezo,

Mujhe maloom hai ke yeh aath ahkaam pehli baar sunne mein zyada lag sakte hain. Magar agle sabqon mein hum har ahkaam ko dheere dheere samjheinge aur Injeel Shareef se misaalein leinge.

Bas yeh baat yaad rakho — sirf jaanna kaafi nahin, balkeh in hidayaat par amal karna zindagi badal deta hai.
